Banco de Bogota

Corporate Presentation

The Issuers Recognition-IR granted by the Colombian Securities Exchange is not a certification about the quality of the securities listed at BVC nor the solvency of the issuer.

Banco de Bogotá is an issuer of securities in Colombia and, as such, it is required to comply with periodic reporting requirements and corporate governance practices. As a financial institution, the Bank is subject to inspection and surveillance from Colombia's Superintendency of Finance.

The financial information included in this report was prepared with unaudited consolidated financial information, in accordance with IFRS as currently issued by the IASB. Details of the calculations of Non GAAP measures such as ROAA and ROAE, among others, are explained when required in this report.

The Colombian peso/dollar end-of-period quarterly devaluation as of March 31, 2021 was 7.2%. In this report, calculations of growth, excluding the exchange rate movement of the Colombian Peso, use the exchange rate as of March 31, 2021 (COP 3,678.62).

Figures as of March 2021 include Multi Financial Group (MFG) as part of Central American operations. For presentation purposes we have excluded the effect of MFG in the quarterly presentation and report as indicated.

This report includes forward-looking statements. In some cases, you can identify these forward-looking statements by words such as "may," "will," "should," "expects," "plans," "anticipates," "believes," "estimates," "predicts," "potential," or "continue," or the negative of these and other comparable words. Actual results and events may differ materially from those anticipated herein as a consequence of changes in general, economic and business conditions, changes in interest and currency rates and other risk factors. Recipients of this document are responsible for the assessment and use of the information provided herein. Matters described in this presentation and our knowledge of them may change extensively and materially over time but we expressly disclaim any obligation to review, update or correct the information provided in this report, including any forward looking statements, and do not intend to provide any update for such material developments prior to our next earnings report. The content of this document and the figures included herein are intended to provide a summary of the subjects discussed rather than a comprehensive description.

In this document we refer to trillions as millions of millions and to billions as thousands of millions. "Excluding FX" refers to the impact of the exchange rate on our Central American operation.
